

Privacy Policy

This Privacy Policy is effective as of Dec.6, 2024.

This Privacy Policy explains how personal information about you is used on [AI Name Library] ("App" or "Services"). If you do not agree to our collection, storage, use or sharing of the personal information you provide in the manner described in this Privacy Policy, you should stop using the App now.

Scope of information collection

We collect personally identifiable information, such as name, email address, etc. This information is obtained when you actively contact us.

There is also information automatically collected by us such as device type and operating system, device identifiers (such as IDFA, IDFV, GAID), the type and operator of network, referral source, etc., as well as information about the timing, frequency and pattern of your use of the App or Services. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the App.

Reasons for collecting information

We use the personal information we obtain about you for the following purposes:

- provide and personalize our Services to users.
- communicate with you.
- administer surveys, contests and other promotions.
- ensure the security and integrity of our Services.
- protect our and others' interests, rights and property.
- comply with law.

Information sharing

We or our service providers may disclose your information without your permission:

- pursuant to judicial or other government subpoenas, warrants, or orders or otherwise to comply with law;
- where we believe an individual's rights, property, or safety or security is at risk;
- if we find that your actions violate our Terms of Use; or
- where otherwise required or permitted by applicable law.

Information storage

We will ensure that any personal information we process for any purpose shall not be kept for longer than necessary for that purpose. We may retain Your personal information where such retention is necessary to comply with a legal obligation to which we are subject, or in order to protect Your legitimate interests or the vital interests of another natural person.

Information security

We care about the security of your user information and are committed to taking reasonable steps to protect your personal information from unauthorized access and use. We implement appropriate technical and organizational measures to ensure a level of security appropriate to the risk, including pseudonymization and encryption of personal information. We also have appropriate physical, electronic and managerial policies and procedures in place to protect your personal user information. We continue to implement procedures to maintain accurate, complete and current user information. While we have implemented safeguards designed to protect your User Information, no security system is impenetrable, and due to the inherent nature of the Internet, we cannot guarantee that information will be transmitted during transmission over the Internet or stored on our systems or otherwise. The way is completely safe from intrusion by others while in our custody.

Children's privacy

We respect the privacy of children. We are committed to complying with applicable laws and regulations regarding minors, including the Children's Online Privacy Protection Act of the United States. If you are a minor, please do not use this application. If we learn that any personal information of a minor has been inadvertently collected, we will delete that information as quickly as possible. If you believe that we may have collected information from a minor, please send us an email.

Third party content

This privacy policy applies only to this App.

This App may contain links to third party SDKs. We have no control over, and are not responsible for, the privacy practices of these third-party SDKs or applications. We encourage you to be aware when you leave the App and to read the privacy statement of every website or application you visit or use.

Your rights

You can request to correct, update, or delete your personal data.

You can ask us to disclose the personal data we collected, including the categories of personal data, the categories of sources from which the

personal data was collected, the business or commercial purposes for collecting, selling, or sharing the personal data, and the categories of third parties to whom we disclosed the personal data.

You may withdraw your consent at any time, subject to legal requirements. Withdrawing your consent will not affect the lawfulness of any processing we conducted before your withdrawal, or processing of your personal data conducted in reliance on lawful processing grounds other than consent.

Policy updates

We reserve the right to modify this Privacy Policy. You should check this page before each use to confirm whether we have modified the Privacy Policy and whether you agree to the modified Privacy Policy. If you continue to use this application after we modify the Privacy Policy, it will be deemed that you agree to the modified Privacy Policy.
